Richmond College Students Will Run Special to See Crucial Baze-ball Game.

Special to See Crucial Baseball Game.

Determined to beat the Indians on their home grounds, the Spider baseball team and loyal bunch of rooters will leave here Saturday on the Spider Special for Williamsburg, where the game will be played. About 150 students and their friends will journey to Looneytown to witness the last game between the Spiders and Indians this season. They will arrive in Williamsburg about 1:30 o'clock, and will leave on the return trip about 6 o'clock.

It will be remembered that the Spiders defeated the Indians in the game at Broad Street Park a week or so ago by a score of 9 to 2, but since that time the Indians have been putting up a stellar trand of ball. They have defeated Lehigh University, Randolph-Macon and ether strong teams within the last week or so, and are primed for the frag with the Spiders.

The Spiders now stand at the head, with three victories and no defeats, having defeated each team in the league once. However, William and Mary is crowding them with two wins and one defeat. If William and Mary wins this game, henors will be even. and it can always be depended upon to put up a scrappy game on the home field. The Spiders, realizing that this and it can always be depended upon to put up a scrappy game on the home field. The Spiders, realizing that this is the crucial game of the series, are going in determined to win at all costs. A large routing contingent will accompany the team to cheer it on to victory and the opmant.

Cox, the hefty portsider, will probably be on the mound for the Spiders, while Joliff will be ready if needed. Blankenship will don the pads for the Indians. The battery will undoubtedly be Garnett and Zehmer.
